MEMORANDUM FOR: CORE Chairman

FROM:

[REDACTED]

Deputy Director of Training and Education

SUBJECT: Consolidate Video Production Capability Agency-wide

1. Reference is made to the ExCom presentation of CORE issues, one of which is consolidating video production capability with the Agency.

2. The OTE video production capability is located at [REDACTED] in a building that has been substantially renovated over the past two years for the primary purpose of handling video productions for OTE. The current value of video equipment at the [REDACTED] including control room equipment, is approximately \$925,000. To bring the current capability up to the standards we believe necessary for high quality production will require another \$313,000.

3. [REDACTED] facility responds to course requirements at [REDACTED] and courses offered in OTE/Headquarters. However, we do, on occasion and as time permits, provide support to other Agency components.

4. The number of persons involved in video production in OTE follows:

[REDACTED]

50% or more of their time: F [REDACTED] in OTE/Headquarters.

5. Attached herewith is a list of video productions in progress or in the planning stage.

6. OTE is opposed to having the OTE capability consolidated with the Office of Communications and the NFAC capability.
